Pet Health Plans

from Ryedale Vets

A proactive, preventative
approach to your pet's healthcare

Planning for your pet's health

Please call the Ryedale Vets team on 01751 472204, or call in for more information about Pet Health Plans.

Alternatively call the Simplyhealth team on 0800 169 9958.

At Ryedale Vets we believe that a proactive, preventative approach to your pet's healthcare is far better than waiting until your pet is vulnerable, ill or suffering to put things right. We want to make responsible pet ownership simple and affordable, which is why we have designed these Pet Health Plans.

Happy Pets

Regular checkups mean your pet will see the vet practice as a safe and friendly environment, whilst allowing your vet to spot any potential issues much quicker.

Peace of Mind

Know that your pet is receiving the best preventative treatment possible.

Not Insurance

Pet Health Plans include the regular things like vaccinations, flea, worm and parasite treatments – the things that pet insurance generally doesn't cover.
